## The National Rifle Association Requests Your Vote for Republican Tom Gann on November 6th.

The NRA surveyed both auditor Tom Gann and lawyer Darrell Moore. The NRA gave Gann an A rating and endorsed him over **Moore—who received a shockingly bad F grade**; the NRA’s worst possible grade!

According to the NRA, Moore’s F grade means that he is a: **“True enemy of gun owners’ rights.** A consistent anti-gun candidate who always opposes gun owners’ rights and/or actively leads anti-gun legislative efforts.”

The 2nd amendment is under heavier attack ever since then-President Obama launched his aggressive campaign for gun control. Darrell Moore has a history of repeatedly donating to the Obama campaign—even after Obama called for new gun control. In light of his bad NRA grade, is there any question that Moore will support more federal gun control?

We must elect proven, pro-Second Amendment legislators such as **Tom Gann** who we know **will do everything he can to push back against the ever-growing gun control efforts.**

We can’t gamble with the Second Amendment!

Our State Rep. Tom Gann stands with David Barton the Founder of WallBuilders. Barton visited Gann and Oklahoma as the Legislature passed House bill 2177; co-sponsored by Gann, this bill protects the display of the Ten Commandments in state buildings, public schools or on other public property.

If re-elected on November 6, **Gann will continue to lead the defense of the Ten Commandments** and other important Judeo-Christian principles that served as the foundation of our nation's legal structure and that are the reason for our nation's success.

## **One Candidate for State House is Prepared to Defend the Right To Life**

*Oklahomans for Life*, the state's foremost pro-life organization, surveyed both auditor Tom Gann and lawyer Darrell Moore. They wanted to know these two candidates' position on issues ranging from protecting the unborn from abortion to protecting the elderly from euthanasia.

Gann scored a perfect score on the survey. He believes **life starts at conception and it is our moral obligation to defend the weak and the innocent.**

For a second straight campaign cycle, **Moore did not answer a single question!** More than 100 Oklahoma candidates have answered the *Oklahomans for Life* survey in the 2018 election cycle, **but not Darrell Moore.** Why won't he tell them where he stands on this important issue?

House District 8 residents can not take a gamble on the issue of life. Only Tom Gann was courageous enough to take a public stand with *Oklahomans for Life* and we can be assured that **he will continue to defend the right to life with his vote in the Legislature.**
